BACKCLOCK

Add a surreal and quirky touch to your home or office with a Backwards Clock!

If you feel like time is running in reverse, this is the clock for you. The numbers go anti-clockwise and the hands turn the opposite way to a normal clock, so it's a real challenge to tell the time. You'll soon get used to it, but see if your friends can figure it out!

- >> Clock hands turn right-to left
- >> Hour marker numbers reversed
- >> Quartz clock
- >> Adjust the time using the dial on the rear of the battery case
- >> Requires 1xAA battery
